CREATING A SUSTAINABLE COMMUNITY

WHERE FAMILIES AND NATURE CAN THRIVE

At David Wilson Homes, we do more than simply craft beautiful homes and desirable developments.

We design and build great places that meet the highest standards, and that promote sustainable, healthy and happy living for our customers.

We know we must give our customers confidence that their homes are designed and built to meet the challenges of the future. We do this through creating places where people and nature can thrive.

COMMUNITY OPEN SPACES

There are over 2.25 acres of community open space at St Johns View.

The development has been thoughtfully planned to promote a more desirable, healthier and enjoyable way of living.

Open space offers great opportunities for you to enjoy the outdoors and live more in harmony with nature.

BAT AND BIRD HABITATS

Bird and bat boxes provide perfect nesting opportunities for a range of species.

You will notice these are installed as high as possible, away from natural light and in different positions to encourage our winged friends to enjoy their wildlife habitats.

WILDFLOWER MEADOWS

Wildflower turfs and scented plants are a great attraction for pollinating bees and butterflies, whilst providing insects, birds and mammals a home.

We all appreciate how important it is to create these habitats as pollination is one of the most essential biological processes on the planet.

Ready to enjoy on your doorstep... encouraging wildflower planting will help create an aromatic, relaxing and beautiful environment.

— BIODIVERSITY AND WATER —

HABITATS

We have committed to creating dedicated space for local biodiversity conservation.

Ponds are perfect to encourage a more biodiverse ecosystem. They entice wildlife by providing a home for some and an important source of drinking water for many others.

Not only are they important habitats but they also help create a relaxing area where you can unwind and watch nature thrive.

— BEE-FRIENDLY — PLANTING

We value how important bees are, as they provide the essential pollination of many garden plants and wildflowers.

By nurturing bee-friendly planting, together we will provide an important natural food source whilst helping to preserve biodiversity and protect the environment.

HEDGEHOG HIGHWAYS

You will see runs and routes throughout the development, these are our hedgehog highways.

A hedgehog highway is about a 13cm x 13cm (so 5" x 5") gap built into the bottom of a garden fence, wall or hedge, which enables hedgehogs to easily move between gardens.

Hedgehogs can travel a long distance on a single night looking for food and a suitable mate, so room to roam is crucial.

————— ELECTRIC CAR —————

CHARGING POINTS

A number of homes on the development are designed to have active Electric Vehicle Charging points.

Further homes will have passive Electric Vehicle Charging points so customers may choose to install their own more easily in the future.

THE CAYTON

TWO BEDROOM SEMI-DETACHED / TERRACED HOME

Individual plots may vary, please speak to the Sales Adviser

The Cayton stylishly combines a traditional exterior, with the benefits of a contemporary home. The modern, open-plan layout of the lounge and kitchen area, complete with a breakfast bar, provides flexibility. French Doors open from the lounge, extending

the living space into the garden during the warmer months. The second bedroom offers a cosy retreat and is close to the downstairs bathroom, whilst the main bedroom upstairs is expansive and has easy access to the shower room.

YOUR BEAUTIFUL

NEW HOME COMES WITH PEACE OF MIND

David Wilson Homes has been crafting beautiful new homes since 1958. Our decades of experience and unrelenting commitment to excellence means that over 90% of our homeowners would recommend us to a friend, which is why we've been awarded 5 Stars[^] by the Home Builders Federation every year since 2010. What's more, our homes come with an NHBC Buildmark Warranty which gives you a 10 year structural warranty and a 2 year fixtures and fittings warranty** as standard. You're always safe in the knowledge that you can buy one of our new homes with confidence.

WHAT DOES YOUR WARRANTY COVER?

- Central heating system plus any fires
- Hot and cold plumbing system
- Appliances
- Kitchen units
- Electrical system
- Sanitary ware taps and shower doors
- Windows
- External and interiors doors
- Ironmongery
- Renewable energy installation (if fitted)
- Internal/external drainage system
- Boundary brick walls
- Driveway
- 24-hour emergency cover for 2 years
- An NHBC 10 year Buildmark Warranty means we have complied with the NHBC Standards which set out the technical requirements for design, materials and workmanship in new home construction. This is just one of the added benefits of buying a new home.

WARRANTY EXCLUSIONS

While your warranty includes most elements, certain aspects cannot be covered including:

- Garden landscaping
- Fences
- Wear and tear
- Your own alterations
- Registered Social Landlord Homes
- Carpets and floor coverings
- Failure to maintain
- Wilful damage

*We are the only major national housebuilder to be awarded this key industry award 12 years in a row. "We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes. Images may include optional upgrades at additional cost. All information in this document is correct to the best of our knowledge at the time of going to print. Calls to 03 numbers are charged at the same rate as dialling an 01 or 02 number. If your fixed line or mobile service has inclusive minutes to 01/02 numbers, then calls to 03 are counted as part of this inclusive call volume. Non-BT customers and mobile phone users should contact their service providers for information about the cost of calls.

NEW HOMES

Quality Code

Housebuilders and developers who build new homes will be expected to register with the [New Homes Quality Board](#) (NHQB). As long as a housebuilder or developer has followed the correct registration process, including completing the necessary training, introducing a complaints procedure, and following other processes and procedures that are needed to meet the requirements of this New Homes Quality Code (the code), they will become a registered developer.

Registered developers agree to follow the code and the New Homes Ombudsman Service, including accepting the decisions of the New Homes Ombudsman in relation to dealings with customers. If a registered developer does not meet the required standards, or fails to accept and act in line with the decisions of the New Homes Ombudsman, they may have action taken against them, including being removed from the register of registered developers.

The code sets out the requirements that registered developers must meet. The code may be updated from time to time to reflect changes to industry best practice as well as the decisions of the New Homes Ombudsman Service.

All homes built by registered developers must meet building-safety and other regulations. All registered developers should aim to make sure there are no snags or defects in their properties before the keys are handed over to a customer. If there are any snags or defects, these should be put right within the agreed timescales.

What the code covers

For the purposes of this code, 'customer' means a person who is buying or intends to buy a new home which they will live in or give to another person. (If a new home is being bought in joint names, 'the customer' includes all the joint customers.) However, the New Homes Quality

Board have also started work to consider other groups of customers and what they should be able to expect from a new home. This includes shared owners and people who are buying a new home to let to other people. Any changes the New Homes Quality Board make to the code to reflect the needs of other groups of customers will be developed through consultation, and they will continually assess and review the effectiveness of the code, and any new laws or regulations that apply. Other areas which are not covered by the code are claims for loss of property value or blight (where a property falls in value or becomes difficult to sell because of major public work in the area), personal injury or claims that are not covered by the scheme rules of the New Homes Ombudsman Service.
