BARRATT
HOMES

Franklin Gardens is located just 2.1 miles from central Cambridge. Discover a new development of contemporary 2, 3, 4 and 5 bedroom homes. This new community will benefit from a primary school, supermarket, library, sports facilities and more. A 15-acre central park will be a feature integrated seamlessly with the surrounding area. There are cycling and pedestrian-friendly route to use as well as key main roads within easy reach.

As well as a variety of shops, activities and eateries, there is the opportunity to explore Cambridge city's outstanding architecture, cobbled streets and the River Cam.

Living at Franklin Gardens, you can enjoy the finest aspects of the city and countryside living. Peaceful evenings and weekends await, whilst the thrill of the hustle and bustle of flourishing city is still only moments away.

Development layouts and landscaping are not intended to form part of any contract or warranty unless specifically incorporated in writing into the contract. Images and development layouts are for illustrative purposes and should be used for general guidance only. Development layouts including parking arrangements, social/affordable housing, play areas and public open spaces, may change to reflect changes in planning permission and are not intended to form part of any contract or warranty unless specifically incorporated in writing. Please speak to your solicitor to whom full details of any planning consents including layout plans will be available. Franklin Gardens is a marketing name only and may not be the designated postal address, which may be determined by The Post Office.

Barratt Homes has years of experience building thoughtfully designed, high quality homes. We've repeatedly been awarded 5 stars^{*} by the Home Builders Federation, year after year. And that's not all. Our homes come with an NHBC Buildmark Warranty which gives you a 10 year structural warranty and a 2 year fixtures and fittings warranty as standard. This is just one of the added benefits of buying a new home. We do all we can to make moving easy, putting people in touch with dedicated experts throughout the journey, which is why for more than 50 years, we have earned ourselves an enviable reputation for excellence.

Our energy efficient homes could save you money. Every home we build is sustainable and energy efficient - minimising their impact on the environment, whilst reducing your energy costs too. We use highly thermally efficient insulation and argon-filled double-glazing as standard, which allows the heat from the sun in whilst minimising heat loss. Plus, the latest water saving technologies to help reduce your consumption. Visit our website to find out more.

*Based on HBF star rating scheme from 2010 to 2022 derived from the NHBC national new homes survey at eight weeks. Barratt Development brands include Barratt London, Barratt Homes and David Wilson Homes.

GIVING NATURE A HOME

BUILDING SUSTAINABLE COMMUNITIES

Throughout the planning process before starting build, we consider where we can introduce nature and where we can strengthen in. At Barratt Homes we have a vision that goes beyond bricks and mortar. We aim to create inspiring communities of tomorrow that fulfil our customers' every need whilst respecting today's environment.

Our homes are thoughtfully designed and built to the highest quality, whilst the design and layout of our developments create a true sense of place. But our homes are not only great places to live; they are good for the environment and good for future generations too.

BDW00269/FEB23

FRANKLIN GARDENS

NEW HOMES QUALITY CODE

Housebuilders and developers who build new homes will be expected to register with the New Homes Quality Board (NHQB). As long as a housebuilder or developer has followed the correct registration process, including completing the necessary training, introducing a complaints procedure, and following other processes and procedures that are needed to meet the requirements of this New Homes Quality Code (the code), they will become a registered developer.

Registered developers agree to follow the code and the New Homes Ombudsman Service, including accepting the decisions of the New Homes Ombudsman in relation to dealings with customers. If a registered developer does not meet the required standards, or fails to accept and act in line with the decisions of the New Homes Ombudsman, they may have action taken against them, including being removed from the register of registered developers.

The code sets out the requirements that registered developers must meet. The code may be updated from time to time to reflect changes to industry best practice as well as the decisions of the New Homes Ombudsman Service.

All homes built by registered developers must meet building-safety and other regulations. All registered developers should aim to make sure there are no snags or defects in their properties before the keys are handed over to a customer. If there are any snags or defects, these should be put right within the agreed timescales.

WHAT THE CODE COVERS

For the purposes of this code, 'customer' means a person who is buying or intends to buy a new home which they will live in or give to another person. (If a new home is being bought in joint names, 'the customer' includes all the joint customers.) However, the New Homes Quality Board have also started work to consider other groups of customers and what they should be able to expect from a new home. This includes shared owners and people who are buying a new home to let to other people. Any changes the New Homes Quality Board make to the code to reflect the needs of other groups of customers will be developed through consultation, and they will continually assess and review the effectiveness of the code, and any new laws or regulations that apply. Other areas which are not covered by the code are claims for loss of property value or blight (where a property falls in value or becomes difficult to sell because of major public work in the area), personal injury or claims that are not covered by the scheme rules of the New Homes Ombudsman Service.
