WHERE QUALITY LIVES

THE DIFFERENCE IS LIVING AT

IMPERIAL COURT

FANTASTIC LOCATION

Imperial Court is an exclusive development nestled in the breathtaking Yorkshire countryside. Burley in Wharfedale offers a sought-after village lifestyle with a fantastic range of walks and local amenities on your doorstep.

Situated in the Wharfedale Valley, the village is filled with charming nods to its Roman roots and has a thriving community feel. Living here, families will benefit from sought after Independent schools and Ofsted rated 'Outstanding' schools, as well as excellent commuter links to Harrogate, Bradford and Leeds.

CONVENIENT LIVING

Burley in Wharfedale village features a number of pubs, restaurants and coffee shops as well as a village butcher, deli, beautician and independent shops just a short walk from your new home. The popular Grove Promenade offers a range of eateries, high street shops and boutiques and is less than ten minutes away.

The village also has an active Parish Council who provide excellent local activities such as the annual Moor Run, Duck Race, Summer Festival and the Christmas Market – there's plenty for the whole family to enjoy.

MODERN DESIGN

As a quality, award-winning Homebuilder, we're proud to create homes that are built to last and adapt to modern life.

We understand the value of multi-functional space, access to the outdoors and quality interior design. That's why our homes benefit from adaptable living space for working from home, open-plan layouts, French doors to bring the outside in and fully turfed gardens.

NEW HOMES

Quality Code

Housebuilders and developers who build new homes will be expected to register with the [New Homes Quality Board](#) (NHQB). As long as a housebuilder or developer has followed the correct registration process, including completing the necessary training, introducing a complaints procedure, and following other processes and procedures that are needed to meet the requirements of this New Homes Quality Code (the code), they will become a registered developer.

Registered developers agree to follow the code and the New Homes Ombudsman Service, including accepting the decisions of the New Homes Ombudsman in relation to dealings with customers. If a registered developer does not meet the required standards, or fails to accept and act in line with the decisions of the New Homes Ombudsman, they may have action taken against them, including being removed from the register of registered developers.

The code sets out the requirements that registered developers must meet. The code may be updated from time to time to reflect changes to industry best practice as well as the decisions of the New Homes Ombudsman Service.

All homes built by registered developers must meet building-safety and other regulations. All registered developers should aim to make sure there are no snags or defects in their properties before the keys are handed over to a customer. If there are any snags or defects, these should be put right within the agreed timescales.

What the code covers

For the purposes of this code, 'customer' means a person who is buying or intends to buy a new home which they will live in or give to another person. (If a new home is being bought in joint names, 'the customer' includes all the joint customers.) However, the New Homes Quality

Board have also started work to consider other groups of customers and what they should be able to expect from a new home. This includes shared owners and people who are buying a new home to let to other people. Any changes the New Homes Quality Board make to the code to reflect the needs of other groups of customers will be developed through consultation, and they will continually assess and review the effectiveness of the code, and any new laws or regulations that apply. Other areas which are not covered by the code are claims for loss of property value or blight (where a property falls in value or becomes difficult to sell because of major public work in the area), personal injury or claims that are not covered by the scheme rules of the New Homes Ombudsman Service.

Nothing in this code affects any other rights the customer has by law and does not replace any legislation that applies to the new home. Customers do not have to make a complaint to the New Homes Ombudsman Service if they are not satisfied with a matter that is covered by the code. They may decide to take other action, such as through the civil courts or other ombudsman or regulator. We are on the New Homes Quality Code register of registered developers. "We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes. All images used are for illustrative purposes. These and the dimensions given are illustrative for this house type and individual properties may differ. Please check with your Sales Adviser in respect of individual properties. We give maximum dimensions within each room which includes areas of fixtures and fittings including fitted furniture. These dimensions should not be used for carpet or flooring sizes, appliance spaces or items of furniture. All images, photographs and dimensions are not intended to be relied upon for, nor to form part of, any contract unless specifically incorporated in writing into the contract.
