KINGFISHER MEADOW

— A LOCATION LIKE NO OTHER —

Settling down at Kingfisher Meadow means you will be within reach of a wide range of essential amenities in an established community. The beautifully traditional village of Horsford sits just six miles north of Norwich, ensuring the heart of the city is just minutes from home.

Showcasing its unique charm, the village offers a relaxed lifestyle and provides everything you'll need on the doorstep including a medical centre, pharmacy, Post Office, convenience store and a pub. Our latest collection of homes is set to make sure the finest aspects of a sought-after location are readily accessible.

While making the most of Horsford's close-knit community, families will still find many opportunities to enjoy semi-rural living.

Adjacent to mature woodland, Kingfisher Meadow has picturesque surroundings which are ready to be explored and there are countryside outings available at St Faith's Common and the 306-acre Horsford Woods.

With the best of both worlds brought to these new homes, growing families also have the benefit of knowing they have Ofsted-rated 'Good' schooling options close by, while those needing to commute to work can take advantage of swift access to the Northern Distributor Road for travel further afield.

When you move to Horsford, you join a welcoming community that's only growing in popularity.

A SENSE OF PEACE,
QUALITY
— AND SPACE —

FOUR BEDROOM DETACHED HOME

Individual plots may vary, please speak to the Sales Adviser

The Ashington demonstrates a clever use of design on a corner plot to create an attractive detached family home. Both the large kitchen/breakfast room and the long, bay-fronted lounge open onto the rear garden via French doors, naturally creating extended living space in good weather.

A separate dining room, meanwhile, is the perfect place for entertaining indoors. Upstairs are three double bedrooms – the principal bedroom with en suite – a single bedroom and the family bathroom.

NEW HOMES

Quality Code

Housebuilders and developers who build new homes will be expected to register with the [New Homes Quality Board](#) (NHQB). As long as a house-builder or developer has followed the correct registration process, including completing the necessary training, introducing a complaints procedure, and following other processes and procedures that are needed to meet the requirements of this New Homes Quality Code (the code), they will become a registered developer.

Registered developers agree to follow the code and the New Homes Ombudsman Service, including accepting the decisions of the New Homes Ombudsman in relation to dealings with customers. If a registered developer does not meet the required standards, or fails to accept and act in line with the decisions of the New Homes Ombudsman, they may have action taken against them, including being removed from the register of registered developers.

The code sets out the requirements that registered developers must meet. The code may be updated from time to time to reflect changes to industry best practice as well as the decisions of the New Homes Ombudsman Service.

All homes built by registered developers must meet building-safety and other regulations. All registered developers should aim to make sure there are no snags or defects in their properties before the keys are handed over to a customer. If there are any snags or defects, these should be put right within the agreed timescales.

What the code covers

For the purposes of this code, 'customer' means a person who is buying or intends to buy a new home which they will live in or give to another person. (If a new home is being bought in joint names, 'the customer' includes all the joint customers.) However, the New Homes Quality

Board have also started work to consider other groups of customers and what they should be able to expect from a new home. This includes shared owners and people who are buying a new home to let to other people. Any changes the New Homes Quality Board make to the code to reflect the needs of other groups of customers will be developed through consultation, and they will continually assess and review the effectiveness of the code, and any new laws or regulations that apply. Other areas which are not covered by the code are claims for loss of property value or blight (where a property falls in value or becomes difficult to sell because of major public work in the area), personal injury or claims that are not covered by the scheme rules of the New Homes Ombudsman Service.

Nothing in this code affects any other rights the customer has by law and does not replace any legislation that applies to the new home. Customers do not have to make a complaint to the New Homes Ombudsman Service if they are not satisfied with a matter that is covered by the code. They may decide to take other action, such as through the civil courts or other ombudsman or regulator. We are on the New Homes Quality Code register of registered developers. "We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes. All images used are for illustrative purposes.
