UNLOCKING POTENTIAL

Barratt London's goal is to provide high-quality homes for Londoners. We focus on excellence in design, construction and customer service.

By buying at Royal Gateway you can have peace of mind while unlocking potential from a home that could be a lifetime investment.

WHY BUY FROM BARRATT LONDON?

CGI is indicative only

OUR VISION

Since 1982, our goal has been to provide high-quality homes for all Londoners by focusing on excellence in design, construction and customer service.

Barratt London is proud to be contributing to the continued growth of London as a major global city with the delivery of 1,500 new homes each year.

We are part of Barratt Developments PLC, the UK's largest home builder and FTSE 100 Company.

The reassurance that comes from buying a Barratt London home is second to none.

Peace of mind

Not only does every Barratt London home come with a ten-year structural guarantee from the NHBC, it also comes with a two-year fixtures and fittings warranty*, giving you added peace of mind from the moment you move in.

We are fully committed to delivering a superior service for our customers and have been awarded the maximum five star rating for customer satisfaction by the Home Builders Federation every year since 2010.**

First two years covered by Builder Warranty and NHBC Guarantee or similar. Full exclusions and limitations can be found on the NHBC website.

^{** &}quot;We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes.

Barratt London has registered with the New Homes Quality Board (NHQB). All housebuilders and developers who build new homes are expected to register with the NHQB. As long as a housebuilder or developer has followed the correct registration process, including completing the necessary training, introducing a complaints procedure, and following other processes and procedures that are needed to meet the requirements of this New Homes Quality Code (the code), they will become a registered developer.

Registered developers agree to follow the code and the New Homes Ombudsman Service, including accepting the decisions of the New Homes Ombudsman in relation to dealings with customers. If a registered developer does not meet the required standards, or fails to accept and act in line with the decisions of the New Homes Ombudsman, they may have action taken against them, including being removed from the register of registered developers.

The code sets out the requirements that registered developers must meet. The code may be updated from time to time to reflect changes to industry best practice as well as the decisions of the New Homes Ombudsman Service. All homes built by registered developers must meet building safety and other regulations.

All registered developers should aim to make sure there are no snags or defects in their properties before the keys are handed over to a customer. If there are any snags or defects, these should be put right within the agreed timescales.

What the code covers:

For the purposes of this code, 'customer' means a person who is buying or intends to buy a new home which they will live in or give to another person. (If a new home is being bought in joint names, 'the customer' includes all the joint customers.) However, the New Homes Quality Board have also started work to consider other groups of customers and what they should be able to expect from a new home. This includes shared owners and people who are buying a new home to let to other people. Any changes the New Homes Quality Board make to the code to reflect the needs of other groups of customers will be developed through consultation, and they will continually assess and review the effectiveness of the code, and any new laws or regulations that apply. Other areas which are not covered by the code are claims for loss of property value or blight (where a property falls in value or becomes difficult to sell because of major public work in the area), personal injury or claims that are not covered by the scheme rules of the New Homes Ombudsman Service.

We are the only major national housebuilder to be awarded this key industry award 15 years in a row. "We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes. Based on HBF star rating scheme from 2010 to 2024 derived from the NHBC national new homes survey at eight weeks (https://www. hbf.co.uk/policy/policy-and-wider-work-program/customer-satisfactionsurvey/latest-results/) over 90% of Barratt Developments PLC group customer would recommend our brands to a friend.

Disclaimer

Nothing in this code affects any other rights the customer has by law and does not replace any legislation that applies to the new home. Customers do not have to make a complaint to the New Homes Ombudsman Service if they are not satisfied with a matter that is covered by the code. They may decide to take other action, such as through the civil courts or other ombudsman or regulator. We are on the New Homes Quality Code register of registered developers. "We" refers to the Barratt Developments PLC group brands including Barratt London, Barratt Homes and David Wilson Homes. All images used are for illustrative purposes. These and the dimensions given are illustrative for this house type and individual properties may differ. Please check with your Sales Adviser in respect of individual properties. We give maximum dimensions within each room which includes areas of fixtures and fittings including fitted furniture. These dimensions should not be used for carpet or flooring sizes, appliance spaces or items of furniture. All images, photographs and dimensions are not intended to be relied upon for, nor to form part of, any contract unless specifically incorporated in writing into the contract. Computer generated images, maps and development layouts are intended for illustrative purposes and should be treated as general guidance only. The features, designs, materials and visual depictions of and in our Show Apartments and in our Show Apartment photography must be treated as general illustration and guidance. Images may also include upgrades which are available at extra cost. Furniture and furnishings are not included. Fixtures, fittings and specification may be subject to change as necessary and without notice and their accuracy or completeness is not guaranteed. Nor are they intended to form part of any contract or a warranty unless specifically incorporated into the contract. Please ask your Sales Adviser for the current specification. Individual features such as windows, brick and other materials' colours may vary, as may drainage, heating and electrical layouts. Specification may be subject to change as necessary and without notice. Development layouts and landscaping, specification, dimensions and computer generated images are not intended to form part of any contract or warranty unless specifically incorporated in writing into the contract. The development name, Royal Gateway and building names are for marketing purposes only and may not be the designated postal address, which may be determined by The Post Office. All information in this document is correct to the best of our knowledge at the time of issue March 2024. Calls to 03 numbers are charged at the same rate as dialling an 01 or 02 number. If your fixed line or mobile service has inclusive minutes to 01/02 numbers, then calls to 03 are counted as part of this inclusive call volume. Non-BT customers and mobile phone users should contact their service providers for information about the cost of calls.

In addition to sales of homes to individual customers, we may also sell homes (including apartments) to organisations such as local authorities and housing associations who may choose to use the homes as affordable housing (in addition to any affordable housing requirements under the planning permission for the development which you will have seen identified on the development plan in our sales centre). Homes may also be sold through home ownership schemes such as shared ownership arrangements and to investors within the private rental sector. This ensures that we are creating diverse communities by offering more people the opportunity of home ownership which will enhance local areas for years to come as well as creating great places to live. Any properties subject to such sales may be located anywhere on a development and may be disposed of at any time.
